

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is shocking to me. We, the people, own the airways. Who is gonna stand up for us against this abuse of power? This is not a political issue, it is an issue for all freedom-loving Americans. How can we stay free if we don't see all sides of an issue so we can choose. I don't want a corporation making my decisions for me. We are fighting for freedom for Iraqis, don't let us lose our rights here at home. Thank you for your time.
